ANNUAL GENERAL MEETING AND ELECTION OF THE EXECUTIVE COMMITTEE

NRUG will hold the AGM on Saturday 4th September.

After more than a decade of promoting rail interests for Northampton, and 5 years as Chairperson of NRUG, Sally Keeble has decided to step down.

We all thank Sally for her sterling work and wish her well for the future.

Brian Binley MP has kindly agreed to stand for Chairman, and Paul Varnsvery as Vice Chairman.

The positions of Secretary and Liaison Officer will become vacant and nominations are sought to fill these positions at the AGM. The same executive committee has been in place for a number of years, and collectively the executive committee feels that now is the time for new blood to drive the user group forward.

Nominations please to any of the current officers or via the link on this website.
