Dear Andrew

RE: Northampton Rail Users Group

This is to follow up our phone conversation and to repeat my invitation to you to come to Northampton.

The Rail Users group, which I chair, has been very active in campaigning on rail issues over the years - both in pressing for improvements to our day to day service, such as the Sunday rostering issue of the other week - and also in pressing for longer term improvements in the rail infrastructure.

It would be very helpful indeed if you were able to come so that you could see the position of our rail services, and get the opportunity to speak to local people.

Best regards

Yours sincerely,

SALLY KEEBLE MP
